ENTREPRENEURIAL & APPLIED EXPERIENCE

Founder & Startup Incubator Participant – ReWrap

2025 - Present

John Pappajohn Entrepreneurial Center | Iowa City, Iowa

- Selected for the University of Iowa Startup Incubator to develop an early-stage venture focused on improving operational efficiency and reducing material waste within retail systems.
- Conducted 20+ customer discovery interviews to test assumptions, refine early product direction, and iterate on early solution concepts with mentor feedback.
- Translated customer insights into actionable product and market strategy decisions.

Marketing & Engagement Consultant – Micah Hyde Charity Golf Classic

Spring 2026

Tippie College of Business | Iowa City, Iowa

- Leading end-to-end outreach to local businesses, securing 5 sponsorships and 4 foursomes through primarily cold outreach.
- Developed and delivered customized pitches, positioning sponsorships as strategic marketing opportunities (\$1K–\$2K range).
- Selected to pitch title sponsorship opportunity, engaging directly with high-value partners.

University of Iowa Representative – Roth Conference

Spring 2026

Dana Point, CA

- Selected to represent the University of Iowa at the 38th Annual Roth Conference to engage with industry leaders across AI, healthcare, and capital markets, developing communication skills and professional presence in high-level networking environments.

CONSULTING & LEADERSHIP EXPERIENCE

Business Consulting: Marketing & Growth Strategy, Naturally Nerdy Wellness

Spring 2026

Tippie College of Business | Iowa City, Iowa

- Led development of a full digital marketing strategy, including segmentation, positioning, and funnel design.
- Built website, defined KPIs, and developed customer personas to guide positioning and growth.
- Delivered actionable recommendations now being actively implemented across branding and customer acquisition.

WORK EXPERIENCE

Customer Service Associate, Outside Lawn & Garden

April 2025 - Present

Lowe's Home Improvement | Coralville, Iowa

- Managing daily operations in a high-volume retail environment, ensuring reliability and consistent execution.
- Supporting opening/closing tasks, inventory flow, and customer-facing problem resolution under minimal supervision.
- Performing demanding operational work, including material handling and extended time on the floor, requiring stamina, consistency, and attention to safety while operating equipment.
